

CAR PARKING

We have received several complaints from residents living close to school about being unable to get on or off their drives due to parents parking across them at the start and end of the school day. Please can you make sure you do not block access to any properties and if possible park as far away from school as possible – it does get very congested around the school front gates. Thank you.

SUN SAFETY REMINDER

To ensure children remain protected from the effects of over exposure to the sun (especially at lunchtimes) **please can you make sure your child brings a peaked cap into school with their name written inside.** If you wish your child to wear sun protection cream please can these bottles/tubes also have names written clearly on them. We will encourage children to wear their hats and to apply their own cream/lotion when necessary.

HEADLICE

We have several cases of headlice again –please check your child/childrens heads each morning and evening – we need everyone to be alert to stop the bugs from spreading!

PE KIT

We seem to have several children who regularly forget their PE kit. Please could you make sure your child brings his/her full PE kit to school on a Monday morning – it can be left here for the week and taken home for washing on a Friday. This means that they have their kit for whenever we have PE lessons – especially once the weather gets warmer and we can go outdoors too. Thank you.
