

## **LEAVERS – END OF TERM**

We are trying to organise classes for September. Obviously we realise that all our Y6 children will be leaving us at the end of term but we are unsure of any other children that may be moving on. If you are going to be leaving between now and the end of July please could you either call into the school office and let us know, telephone us or send a quick note to confirm this. This will help us in ensuring records are then ready to be sent to your child's new school. Thank you.

## **ST ANNE'S 60<sup>TH</sup> BIRTHDAY CELEBRATIONS 25/26 JULY**

**Saturday, July 25<sup>th</sup> 12noon-3pm.** St Anne's Churchyard - **Bat Man Returns** with Friends Bat man (with live bats!), Bunny Burrows and friends, P.A.T. Dog, Hedgehog House for Church Garden Free BBQ.

**Flower Festival** – Catterick Past and Present Celebrating Community, **Saturday 25<sup>th</sup> and Sunday 26<sup>th</sup>** – refreshments in church.

## **KEEPING YOUR CHILD SAFE ONLINE**

Just a reminder of the E-Safety campaign website: [www.safeguardingchildren.co.uk/esafety4parents.html](http://www.safeguardingchildren.co.uk/esafety4parents.html) You will find an information leaflet 'Keeping Your Child Safe Online' which addresses a number of e-safety issues, with tips, suggestions, help and support. Please have a look!

## **REMINDERS**

- **Headlice** - Please can we remind you to check your child/children's heads each day – we seem to have an epidemic of head lice in school once again. Thank you.
- **Mobile Phones** – Please can we remind everyone that if you take photos on your mobile phone of any displays etc in school that feature children the photos **must not be uploaded to any social media network sites.**
- **Sun safety** – To ensure children remain protected from the effects of over exposure to the sun (especially at lunchtimes) **please can you make sure your child brings a peaked cap into school with their name written inside.** If you wish your child to wear sun protection cream please can these bottles/tubes also have names written clearly on them. We will encourage children to wear their hats and to apply their own cream/lotion when necessary. Even though the weather is getting a little warmer children still need to bring a coat/jacket to school each day. The day may be fine and warm on a morning but by lunchtime the weather can change and children still need an extra layer.
- **Uniform** - Now that the warmer weather has arrived children can wear either short school trousers or summer dresses. However please could we ask that girls skirts remain at an acceptable length for school.
