

MSSA MEETING

Just a reminder that our parents fund raising team are meeting on **Monday, June 15th** at **3pm** in school. New faces always welcome to come along and join us please.

PARENTS MEETING FOR SEPTEMBER STARTERS

We have a meeting for parents of children who will be starting school for the first time in September to come in and have a look around the classroom and to find out about school life. This takes place on **Tuesday, June 16th** at **6pm**.

UNIFORM

Now that the warmer weather has arrived children can wear either short school trousers or summer dresses. However please could we ask that girls skirts remain at an acceptable length for school.

EARLY ARRIVALS

Just a reminder that children should not arrive at school before 8.35am unless you are with them. Children are not supervised before this time and we cannot ensure their safety. Children should arrive between 8.35-8.40am ready for the start of the school day.

MOBILE PHONES

Please can we remind everyone that if you take photos on your mobile phone of any displays etc in school that feature children the photos **must not be uploaded to any social media network sites**.

SUN SAFETY REMINDER

To ensure children remain protected from the effects of over exposure to the sun (especially at lunchtimes) **please can you make sure your child brings a peaked cap into school with their name written inside**. If you wish your child to wear sun protection cream please can these bottles/tubes also have names written clearly on them. We will encourage children to wear their hats and to apply their own cream/lotion when necessary. Even though the weather is getting a little warmer children still need to bring a coat/jacket to school each day. The day may be fine and warm on a morning but by lunchtime the weather can change and children still need an extra layer.

NYCC - LOCAL BUS TRANSPORT SERVICES

NYCC are undertaking a county wide consultation relating to Local Bus Transport Services in North Yorkshire. Proposals can be found at www.northyorks.gov.uk/bussubsidy.
