## THANK YOU

We would like to say a very big thank you to the Doctors from the Village Health Centre who very kindly donated money at the end of last term to enable us to purchase a much needed bike rack. The bike rack is on order and should be arriving anytime soon.

## **HEADLICE**

We have several cases of headlice again —please check your child/childrens heads each morning and evening — we need everyone to be alert to stop the bugs from spreading!

### **PE KIT**

We seem to have several children who regularly forget their PE kit. Please could you make sure your child brings his/her full PE kit to school on a Monday morning – it can be left here for the week and taken home for washing on a Friday. This means that they have their kit for whenever we have PE lessons – especially once the weather gets warmer and we can go outdoors too. Thank you.

## MESSAGE FROM CATTERICK VILLAGE PRE SCHOOL

Although the Preschool building stands in the school grounds – we are completely separate from school. We are Charity run and depend solely on the hard work of our Committee and the generosity of the public and local businesses at our many fundraising events which help to keep our Pre-School running. If you have any questions please call into Pre School or speak to a committee member.

## **BOOTH HALL REFURBISHMENT**

Tea/coffee and cakes *every* **Tuesday** in the Nearly New Shop. We also need people to knit squares to make a scarf long enough to go around the outside of the hall, squares to be 6"x6" – sponsorship forms and wool available from the hall. Please support this village project and help raise funds for the refurbishment.

## **SMILEY FACES – FACE PAINTING**
