

LEAVERS – END OF TERM

We are trying to organise classes for September. Obviously we realise that all our Y6 children will be leaving us at the end of term but we are unsure of any other children that may be moving on. If you are going to be leaving between now and the end of July please could you either call into the school office and let us know, telephone us or send a quick note to confirm this. This will help us in ensuring records are then ready to be sent to your child's new school. Thank you.

PARKING

Please can we remind you to help keep the layby outside of school clear of cars – we have several visits planned during the rest of this term and will have coaches returning children to school and they need to park in the layby. This should be kept clear at all times along with the areas between the yellow zig zags. These measures are in place to help keep you child/children safe. Thank you.

UNIFORM

Now that the warmer weather has arrived children can wear either short school trousers or summer dresses. However please could we ask that girls skirts remain at an acceptable length for school.

EARLY ARRIVALS

Just a reminder that children should not arrive at school before 8.35am unless you are with them. Children are not supervised before this time and we cannot ensure their safety. Children should arrive between 8.35-8.40am ready for the start of the school day.

MOBILE PHONES

Please can we remind everyone that if you take photos on your mobile phone of any displays etc in school that feature children the photos **must not be uploaded to any social media network sites.**

SUN SAFETY REMINDER

To ensure children remain protected from the effects of over exposure to the sun (especially at lunchtimes) **please can you make sure your child brings a peaked cap into school with their name written inside.** If you wish your child to wear sun protection cream please can these bottles/tubes also have names written clearly on them. We will encourage children to wear their hats and to apply their own cream/lotion when necessary. Even though the weather is getting a little warmer children still need to bring a coat/jacket to school each day. The day may be fine and warm on a morning but by lunchtime the weather can change and children still need an extra layer.

CATTERICK VILLAGE PRE SCHOOL SUMMER FAYRE

The Pre-School are holding a Summer Fayre and Fun Day on **Sunday, July 26th 10am – 4pm.** Many stalls – personalised items, cakes, Woodys woodwork, dog treats, hair acc, candles , make-up, Bodyshop, stationary and many more! Face painting, barbecue, ice cream, Zumba for kids, refreshments, martial arts display, Raffle and tombola, Purple Play Bus, games stalls, bouncy castle, how many balloons in a police car, and **much more** !! Car boot sale – set up by 9am £5 per car and £8 per van. Come along and support us and have a bit of fun ☺☺

NYCC - LOCAL BUS TRANSPORT SERVICES

NYCC are undertaking a county wide consultation relating to Local Bus Transport Services in North Yorkshire. Proposals can be found at www.northyorks.gov.uk/bussubsidy.
