

EARLY ARRIVALS

Just a reminder that children should not arrive at school before 8.35am unless you are with them. Children are not supervised before this time and we cannot ensure their safety. Children should arrive between 8.35-8.40am ready for the start of the school day.

MOBILE PHONES

Please can we remind everyone that if you take photos on your mobile phone of any displays etc in school that feature children then the photos **must not be uploaded to any social media network sites**.

SUNSHINE

Even though the weather is getting a little warmer children still need to bring a coat/jacket to school each day. The day may be fine and warm on a morning but by lunchtime the weather can change and children still need an extra layer.

SUN SAFETY REMINDER

To ensure children remain protected from the effects of over exposure to the sun (especially at lunchtimes) **please can you make sure your child brings a peaked cap into school with their name written inside**. If you wish your child to wear sun protection cream please can these bottles/tubes also have names written clearly on them. We will encourage children to wear their hats and to apply their own cream/lotion when necessary.

CATTERICK VILLAGE SPORTS ASSOCIATION SUMMER FAIR

Saturday, June 13th 10am – 2pm Sports Pavilion. Craft fair, car boot sale, BBQ, refreshments, face painting, bouncy castle, raffle, tombola and U8s football festival. Come along and join in the fun.
