Key for highlighted planning incorporating 'Every Child Matters':

Stay safe

- Children and young people are safe from accidental injury and death.
- Children and young people are safe from bullying and discrimination.
- Children and young people are safe from crime and anti-social behaviour in and out of school.

- Children and young people have security, stability and be cared for.

Be healthy

- Children and young people are physically healthy.
- Children and young people are mentally and emotionally healthy.
- Children and young people live healthy lifestyles

Enjoy and achieve

- Children and young people attend and enjoy school.
- Children and young people achieve personal and social development and enjoy recreation.
- Children and young people achieve stretching national standards

Achieve economic well-being

- Children and young people live in decent homes and sustainable communities
- Children and young people have access to transport and material goods

Make a positive contribution-

- Children and young people engage in decision-making and support the community and environment.
- Children and young people engage in law abiding and positive behaviour in and out of school.
- Children and young people develop positive relationships and choose not to bully.
- Children and young people develop self-confidence.
