

MSSA News Update June 2015

Dear all

Hopefully you have figured out who the MSSA are and what we do, if not basically we are a group of parents who get together to organise fundraising events to raise money for our school. We work closely with the teachers to provide equipment they feel would benefit the children,. We also provide funds to help with fun days such as the French day and more recently the Polar launch day.

We would love to hear any ideas you may have whether it is a possible fundraising event or something you feel we should be concentrating our funds on, we are raising money for your children so please let us know.

Recent success

A Massive thank you to everyone who support our Easter fundraising. The fab raffle was won by Buna, Mrs Butcher and Mrs Smith, we hope they enjoyed all those lovely treats! The coffee afternoon was ask a fantastic success - thank you to all those who baked for us! :-)
Thanks to all your kind support we raised an amazing £400 and are hoping to hold another coffee afternoon towards the end of the summer

Together with the school we have secured the funds to buy new IT equipment including computers, ipads and kindles. We think you will agree that this will be a brilliant addition to aid the childrens learning.

Dates for your diary
