

Hello Year 4 ☺

I just wanted to send you a small message to say how proud of you all I am. You've been an absolute pleasure to teach again this year and I am so lucky to have been able to teach you all again. You've all come such a long way in such a small space of time and I know you will continue to be successful next year.

I wish I could say goodbye to you all in person, but I do hope to see you again when the new year starts.

I wish you all the best of luck for Year 5- I know you will be amazing!

Take care and have a lovely, lovely summer.

Miss Cable and Miss Budden ☺
