Sun Safety

Now the warmer weather is approaching (fingers crossed) it is important that we ensure that children are protected from the harmful effects of exposure to the sun. During the good weather please can you ensure your child brings a peaked cap into school (with their name inside) that they can wear when they are outside.

If you also wish your child to wear sun protection cream please send in a tube/bottle clearly labelled with your child's name and we will encourage the children to apply this when going outside.

Weekly Attendance

This week has been another excellent one for attendance with both **Year 6** and Mrs Bell and Mrs Long's **Year 1** class achieving an **outstanding 100%** for the week. Of the remaining 6 classes only 1 class failed to achieve a level of attendance above the government's acceptable standard of 96%. Well done to everyone.

Hangout

The Hangout is our before and after school club and runs from 7.30am in the morning and from 3-6pm in the evening.

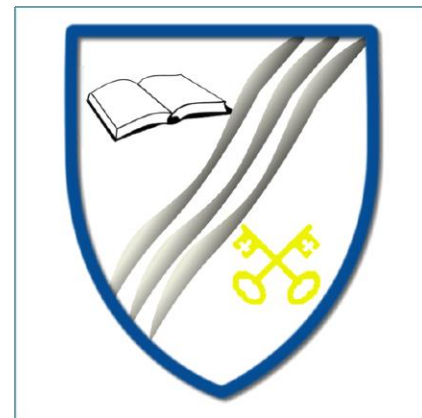

All bookings for the Hangout **must be made in advance** as we are now getting close to capacity for most of our sessions. Bookings can be made online via the 'school gateway' or through the school office. Payment will be required at the time of booking.
