Sporting Achievements

This week has seen children from across the school competing in sporting competitions in Gymnastics and Netball.

On Tuesday an amazing 30 children from years 1 -6 took part in a gymnastics competition held at Richmond School. They all performed brilliantly and really enjoyed the event.

On Wednesday our KS2 children competed in the Richmondshire Netball finals that they had qualified for earlier in the year. The team played superbly and can be very proud of their achievements.

Further information and pictures from both these events can be found on the school website and our Facebook page.

Co-op Local Community Fund

We are still raising money through the Co-op's Community Fund. All you have to do is choose us as your selected 'good cause' and the Co-op will give us 1% of anything you spend back! The best thing is, you get 5% back yourself! All you have to do is hand over your Co-op card each time you shop and it is credited automatically.

Further details of how you can sign up can be found on the school website.

Unavoidable School Closure

In the event of bad weather, any closure of the school will be posted on the homepage of the school website and a text message will be sent to parents on the morning of the closure. **Please make sure you inform us of any changes of contact numbers.**

Break up for half term

19 February

Back to school

Important Notices

Once a week, Take a Peek

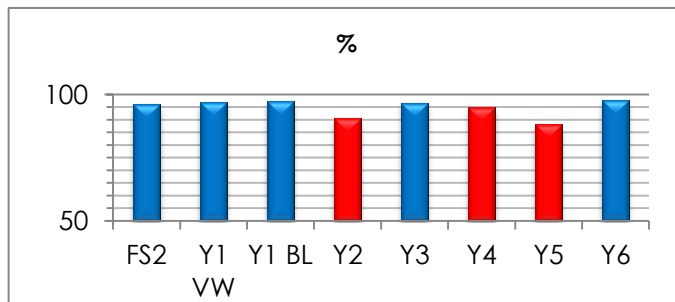

Please can we remind parents to continue to check your child's hair **regularly** for Head Lice and to treat your child as soon as you notice any signs of lice or eggs. This will help to prevent the spread of the lice.

Thank you for your cooperation in this matter.

Please remember that we will only close the school if we think it is absolutely necessary and every effort will be made for us to remain open. The safety of pupils, parents and staff is paramount and any decision to close is never taken lightly.

Weekly Attendance

Attendance has been much improved this week despite the bad weather. Congratulations this week to **Year 6** who have achieved an excellent 98% attendance this week. Out of the remaining 7 classes four have also achieved above the government's acceptable standard of 96%.

The Hangout

The Hangout is our before and after school club and runs from 7.30am in the morning and from 3-6pm in the evening.

All bookings for the Hangout **must be made in advance** as we are now getting close to capacity for most of our sessions. Bookings can be made online via the 'school gateway' or through the school office. Payment will be required at the time of booking.

As the nights are now drawing in we will be locking the gate at 5pm so if you are collecting your child after this time you will need to ring the bell on the gate and a member of staff will meet you at the main door.

Hangout Contact Number Tel: 07756 040396 Available 7.30am – 8.45am and 3pm – 6pm Monday – Friday during term time.

And finally...

University of York's Astrocampus Cosmodome Comes to Town

At Northallerton Library on February 14th, visitors will be able to explore the wonders of space in the Cosmodome: an inflatable planetarium. Discover the stories behind the constellations and take a tour of the night skies; fly past the planets and find out about stars exploding!

Shows last for 20 minutes and are suitable for all ages, children must be accompanied by an adult. Tickets for the session are £1 per person, available in advance from Northallerton library.

Advanced booking essential as spaces are limited.
