### Important - Attendance at School

Please can you ensure that children are not kept off school unnecessarily for **minor ailments and illnesses**. If your child has a cough or a cold they can still attend school, please feel free to give them Calpol or any other medication which may help them before they come to school. Missing just one day of school can have a detrimental effect on your child's progress.

Please be assured that parents will be contacted immediately for any child who becomes too unwell to stay in school.

### Co-op Local Community Fund

We are still raising money through the Co-op's Community Fund. All you have to do is choose us as your selected 'good cause' and the Co-op will give us 1% of anything you spend back! The best thing is, you get 5% back yourself! All you have to do is hand over your Co-op card each time you shop and it is credited automatically.

Further details of how you can sign up can be found on the school website.

## The Hangout

The Hangout is our before and after school club and runs from 7.30am in the morning and from 3-6pm in the evening.

All bookings for the Hangout **must be made in advance** as we are now getting close to capacity for most of our sessions. Bookings can be made online via the 'school gateway' or through the school office. Payment will be required at the time of booking.

**As the nights are now drawing in we will be locking the gate at 5pm so if you are collecting your child after this time you will need to ring the bell on the gate and a member of staff will meet you at the main door.**
