

Year 4

# PSHE Workbook

## 'Me and my future'

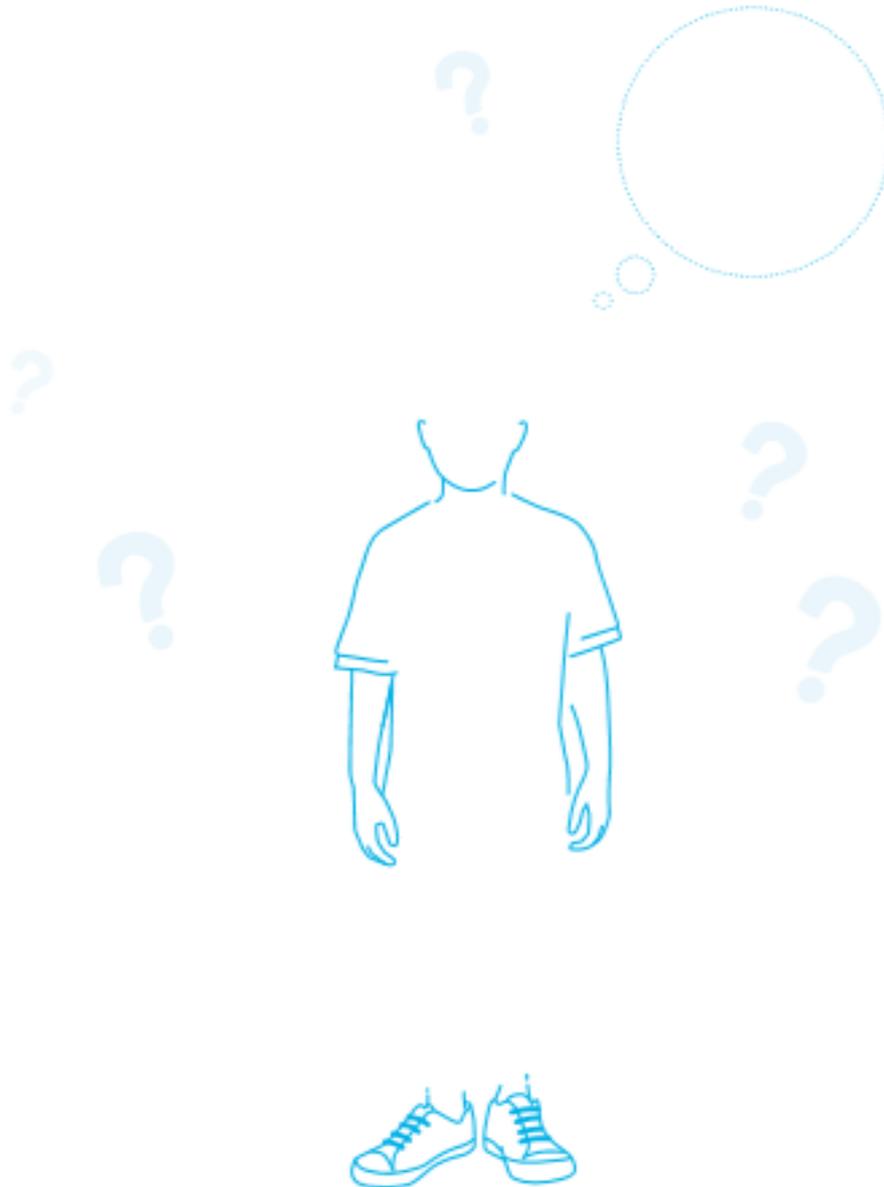

## Week 1

This half term, we would be learning all about 'Me and my future' and how different people use money and what skills are needed for different jobs. In this task, I would like you to think about how you spend your pocket money. Do you spend it as soon as you get it? Do you save it up to buy something expensive? The aim of this task is to understand that when you save, you can get things you would really love and you would cherish them more, but people have different attitudes towards money and savings. What ways could we save? Could we use a piggy bank? How do adults save? Have a discussion with your parent/carer(s) about ways they save.

### What do you spend money on?

Use the outline to draw a picture of yourself. Add some more bubbles and draw inside things that you spend money on.

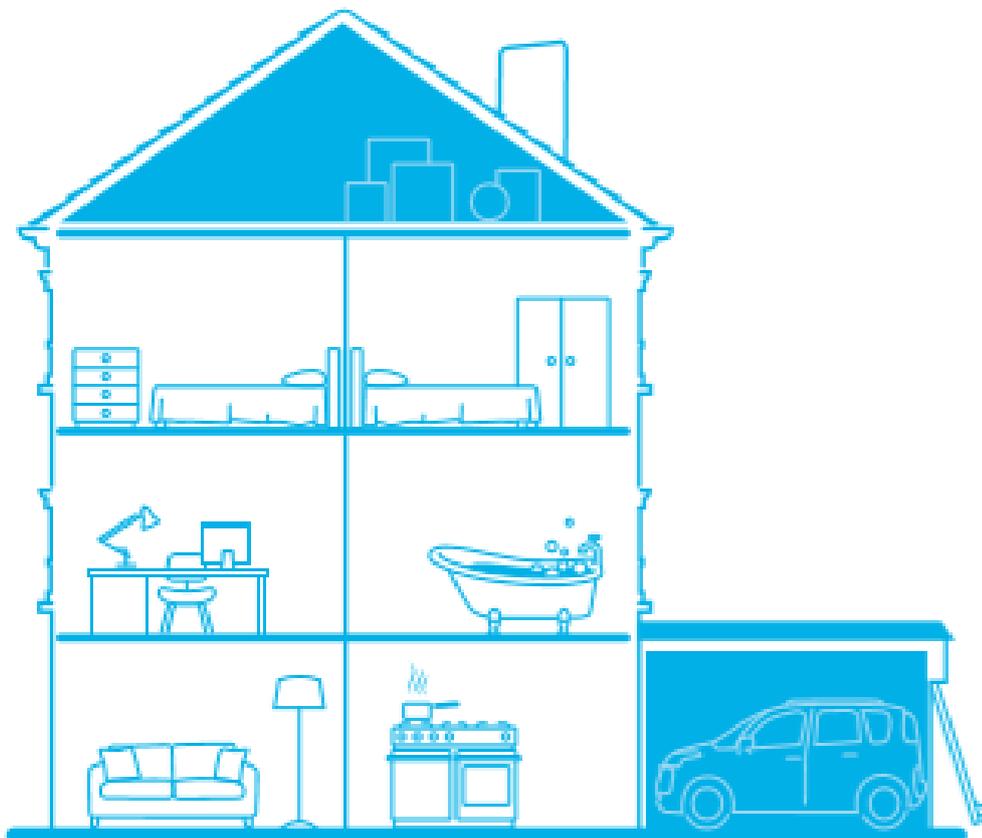

## Week 2

This week, I'd like you to think about how your family spends money. Go around your house and have a look at things in your house that cost money on a monthly basis. How many things do you have to pay for monthly? How much does this cost? Imagine your house and compare it to someone who doesn't earn a lot of money a month. What do you think would be different? This lesson is designed to show you to be grateful for what you have and understand that people have different financial circumstances around the world so not everyone will be as lucky as us!

### What does your family spend money on?

Think about each room and draw or list all the things that cost money.

Week 3

This week, I'd like you to have a think about the jobs below and think about what skills and knowledge they would need to be able to carry out their jobs. Match them up if you can! Once you have done this, have a little think about your family and what their jobs are and what skills they would need to complete their jobs.

What is my job?

What tasks do I do in my job?

What tools do I use in my job?

<b>Saucepan</b> 	<b>Spanner</b> 	<b>Computer</b> 
<b>Calculator</b> 	<b>Thermometer</b> 	<b>Long ladder</b> 
<b>Garden scissors</b> 	<b>Telephone</b> 	<b>First aid kit</b> 

What skills do I need in my job?

<b>Communication skills</b> 	<b>First aid</b> 	<b>Mechanical skills</b> 
<b>Cookery</b> 	<b>Computer skills</b> 	<b>Mathematics</b> 
<b>Customer care</b> 	<b>Driving</b> 	<b>Problem solving</b>
