

Year 4 Weekly SPaG Practice

This work should take around 10 minutes to complete each day. Please revisit the rules and read them (any questions please don't hesitate to ask) and then complete the task below. We normally only do SPaG Monday-Thursday and our spelling test on Friday is our SPaG focus for Friday.

Our SPaG rule that we will be focusing on this week is:

Word families

Monday- 'Talky SPaG' (you do not need to record anything for this lesson- it is just a discussion about the rule)

Word families are words which contain the same words, but they have different prefixes/suffixes added to the beginning or end of them to change their meaning. For example the word 'happy'.

Other words in the 'happy' word family are:

Happiness

Happier

Unhappy

They all have the word happy in them, but they all mean completely different things. See the website below for a further explanation. **Can you think of any other examples of word families?**
