# Argentinean Art

On the 4<sup>th</sup> of January yr5 and yr6 launched their South America topic and decided to start it off by doing some art from Gustavo Ortiz who is from Argentinian .

Our art work was amazing and actually looked like the artists! We thought we should show the actual artist our work so we sent him a email hoping he will reply back. As soon as possible we checked the computer to see if he had replied back and he had, everyone who did the art felt really proud of themselves that the actual artist had replied!
