

Year 4 Daily Spelling Practice

This work should take around 10 minutes to complete each day with the tasks. Please revisit the rules and read them (any questions please don't hesitate to ask) and then complete the task below.

Hello Year 4,

This week's spellings are:

Recent
Regular
Reign
Remember
Sentence

Science
Fascinate
Muscle
scissors

The spelling rule is: **words with the sound 's' spelt 'sc'**

Sometimes, words with the 's' sound are spelt with 'sc'. This can happen at the beginning or in the middle of a word. Below is a video which explains this rule further:

Friday- test yourself! Have a look at the words you have been learning this week. Look at them, say them, then cover them and write them. If you have an adult at home who is happy to test you, that is also OK. Good luck!
