

### Year 4 Daily Spelling Practice

This work should take around 10 minutes to complete each day with the tasks. Please revisit the rules and read them (any questions please don't hesitate to ask) and then complete the task below.

Hello Year 4,

This week's spellings are:

Pressure  
Probably  
Promise  
Purpose  
Quarter  
Question  
Courageous  
Humorous  
Hideous  
Glamorous

The spelling rule is: **words with the 'ous' suffix**

**The suffix 'ous' can just be added to the end of root words. When we say it out loud, it sounds like 'us' e.g. mountainous. In some words, we keep the 'e' at the end so that the 'g' sounds like 'j' e.g. courageous, outrageous. If a root word ends in 'our' we have to swap the letters 'our' for 'or' before adding 'ous' e.g. humour- humorous. Can you think of any words that have these spellings in them?**

Your tasks for this week are:

**Monday-** write the words in swirly writing. Can you time to see how long it takes you? Write this time down on the line here \_\_\_\_\_. This is your time to beat tomorrow!

**Tuesday-** write the words backwards. Can you time to see how long it takes you? Write this time down on the line here \_\_\_\_\_. This is your time to beat tomorrow!

**Wednesday-** write the words in pyramid words. Remember to start off with the first letter, then do the first and second letter e.g.

Y  
Ye  
Yea  
Year  
Year 4

Can you time to see how long it takes you? Write this time down on the line here \_\_\_\_\_.

**Thursday-** here is one of the words scrambled in a grid. How many words can you make using just these letters? Write these down and see if you can beat Miss Cable for a merit!

a	m	o
l	g	r
o	s	u

**Friday-** test yourself! Have a look at the words you have been learning this week. Look at them, say them, then cover them and write them. If you have an adult at home who is happy to test you, that is also OK. Good luck!
