School Meals

Please find below the menu for January 2021 to March 2021. We would really like as many children as possible to join us for lunch. This is one of the reasons we still offer daily choice of meal (most schools now ask for menu choices a week or even 3 weeks in advance).

Currently children in Reception, Year 1 & Year 2 are provided with school meals free of charge by the government, and our meal charge for key stage 2 is £2.50 a day currently for a two-course meal.

As usual any changes to the menu will be on the weekly newsletter.
