

Year 4 Times Table Daily Practice

If you have any questions, please do not hesitate to ask.

Hello Year 4,

As we have our times table test coming up, I would love it if we could keep motivated and continue with our fabulous knowledge building. So, here are a few things you can do to continue your learning. Remember, this half term we are looking at 1,2,3,4,5,6,7 and 8 times tables.

Times table songs

BBC Supermovers- Watch the videos for the times tables we have done so far and keep up the singing (and dancing!)

<https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4>

Times table rockstars

Log in to TT rockstars and keep practising on all of the games. The best game which mirrors the times table tests is Soundcheck. If you get 20-24 you get 5 merits (make a note of your merits below for each day) but if you get 25 you get 10 merits. Keep being rockstars! I will be on battling as many of you as I can throughout this week.

Monday: _____

Tuesday: _____

Wednesday: _____

Thursday: _____

Friday: _____

<https://play.ttrockstars.com>

Hit the button

Hit the button is a fun game where you can see how quick you can tap the times tables answers. See how fast you can do this and how many you can score! Write down your scores below or make a note of them.

My scores:

Multiplication grids

I will attach a multiplication grid just like our homework below. Please try to complete at least one of these (you can do this on word or draw your own grid on some paper) a week.
