

Home learning for Week 8 1 - 5 June

Contact email: michaelsyddallyear1@gmail.com

Good morning,

I hope you have all had a nice 'half term' and were able to get out and about a little bit more.

As we are now back in school the weekly planning for those still opting for home learning will be a little different

Phonics

Phonics play is a great resource and is free for home users. Please follow the link below

<https://www.phonicsplay.co.uk/freeIndex.htm#>

There is also an option for a link to mobile and tablet friendly site.

If you were on Ph 3 please move onto the Ph 4 resources

If you have the Ph 5 pack please look at 5C and 5D

Spellings

Please continue to practise the common exception words.

Reading

Please continue reading daily. Have your child read to you and read to your child.

If your child is happy with the books online then please do carry on with the link below as you have been doing.

Oxford Reading Tree

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Reading with your children

When reading with your children ask them to answer a few simple questions.

For example:

Who is the main character?

Where is the story set?

What just happened to the main character?

When is the story set?

How does the character feel?
that?

Why does the character feel like

Which character do you like and why?

Encourage your child to highlight how they answered the question by using evidence from the text. For example:

'I know the character is feeling sad because in the picture she is crying and it says she was sobbing.'

Allow the children to use both the text and pictures to find their answers.

English and Maths

Please use the following link to access lessons for English and Maths

<https://www.thenational.academy/online-classroom/subjects/#subjects>

You can also use BBC Bitesize

<https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

As well as Mathletics and Times Tables Rockstars (Log in details on the inside cover of your Home Learning Diary

<https://login.mathletics.com/>

<https://play.ttrockstars.com/auth/school/student>

Topic

Our topic this half term is called : Is England the same as the rest of the world?

We will be comparing Catterick village to the town Victoria Falls in Zimbabwe.

We will be making our own world maps and identifying the 7 continents and 5 oceans –
7 continents –

<https://www.youtube.com/watch?v=K6DSMZ8b3LE>

This is a catchy little tune to help remember the Oceans:

Tune: Frere Jacque

There are five
There are five
O – oceans, o-oceans
Pacific and Atlantic
Indian and Arctic
Southern too
Southern too

and below is a little video to watch about the oceans

<https://www.youtube.com/watch?v=X6BE4VcYngQ>

We will compare and contrast Catterick Village with Victoria Falls. What is the same? What is different?

We will look at the ways of life of the Shona culture compared to our way of life in Catterick.

We will build our own model of Victoria Falls

And we will look at traditional African dancing

See where your research takes you and have fun with it.

Stay safe.

Mrs Richards 😊
