DARK SKIES EVENT

Yorkshire Dales National Park and the North York Moors in partnership with Go Star Gazing are offering a FREE virtual Dark Skies Festival this year to raise awareness of the Dark Skies. In our area we have some amazing Dark Skies and I just thought it might be a good opportunity for some of the children to learn a bit more about what is out there and the importance of the Dark Skies.

So if you are fascinated by the night sky? Or maybe you want to improve your astronomy knowledge or learn more about what goes on in the star-filled skies above our heads. This October half-term the Yorkshire Dales National Park and the North York Moors are holding a Virtual Dark Skies week in Partnership with Go stargazing.
