Extra layers in school

As part of our risk assessment to keep everyone in school safe, we are keeping all areas of school well ventilated. Obviously, in June, this is fine! This time of year is a little more 'changeable'. We would like to encourage children to wear an extra layer, either a t-shirt or under armour/'skin' type layer under their uniform to keep them warm. It's easier to take off a layer than to be cold!

Masks at drop off and pick up

We would like to encourage parents to wear masks at drop-off and collection or at any time when on school site. We appreciate we are in an open, outside space but it simply is to reduce the chances of anything being passed on even in the outdoor environment. This also forms part of our on-going risk assessment. Thank you for your co-operation.

Thank you for your continued support
