

It is important that your grant is used effectively and based on school need. The Education Inspection Framework (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

Develop or add to the PESSPA activities that your school already offer

Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2020 at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your

Key achievements to date until July 2019:	Areas for further improvement and baseline evidence of need:
<ul> <li>The school won the North Yorkshire PE Premium Award for Whole School Improvement for 2017, 2018 (Regional Winner) and 2019.</li> <li>Youth Sport Trust Quality Mark Gold Awarded (July 2019)</li> <li>The school was awarded the AfPE Quality Mark (July 2017)</li> <li>School Games Mark (Gold) 2018 and 2019</li> <li>The schools membership for the YST has unlocked the PiXL Primary Edge resources, impacting on whole school improvement</li> <li>PE Lead is a Youth Sport trust Primary PE Lead and Head teacher Ambassador</li> <li>Increase in number of extra-curricular clubs and participation at these clubs</li> <li>Children's increased sense of worth of physical activity and sport and pride in the achievements of the school</li> <li>Vast improvement in behaviour across school correlates to the work done through PE and physical activity.</li> <li>The attributes/qualities developed through PE are now evident in the whole of school life.</li> <li>Strong CPD of staff through local SGO and sports coaches</li> <li>Improving trend of sporting successes - North Yorkshire School Games Quad Kids Athletics Winners at Year ½ and Year ¾ in 2019.</li> </ul>	<ul> <li>Further development of PE long term plan and associated assessment materials and ensure they are robust and impact on teaching and learning</li> <li>Further develop staff's confidence and competence with the teaching of PE and School Sport</li> <li>Continue to develop children's leadership, organisation, resilience, initiative and communication skills through the Primary Edge with an increased focus on further impact across the curriculum.</li> <li>Look at long term sustainability of funding if/when Sports Premium funding comes to an end.</li> <li>To improve outcomes, train school staff in delivering swimming.</li> </ul>

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	83%
<b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	74%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	74%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/ <b>No</b>

## **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and
