This week we have had a few children arriving late to school again. Please remember school begins at 8:45am, and drop off is between 8:35am & 8:45am. Children who arrive after 8:45am will receive a late mark in the register. School ends at 3pm.

Please can we remind parents to make sure their child brings a water bottle to school every day.

**Hangout Contact Number: 07756 040396**

Please can we ask everyone to take care when driving and parking near school. We have had concerns recently regarding speed, which is dangerous at all times and even more so when people are getting young children in and out of cars and there are children crossing the roads.

The warden from the housing across the street has also asked if people can not park in resident bays or blocking in resident vehicles at pickup and drop off times.

All payments are due **IN ADVANCE** for school meals, The Hangout and afterschool clubs. Please check that your payments are up to date and accounts are topped up where needed. If you have any concerns regarding payment please contact the office.

Dogs should not be on the school grounds. If you bring your dog at pickup/drop off please leave them tied outside the school fence away from the gate.

### DFE Rebuilding Programme

You will probably recall, we shared the exciting news with you at the end of the summer term, we have been selected in the second 50 (out of a 100 schools across England, to date) for Government funding to either rebuild or refurbishment our school.

We are aware the local community have been speculating what is happening on school site, can we take this opportunity to inform everyone, currently we have no new information and as soon as we know anything further, we would of course tell everyone!

Over the last few weeks, works has progressed to feasibility but that's all we know, to clarify it is certain we are on the programme and will be getting something (refurbishment or new build) but we still don't know exactly what!
