Monday 1st November ~ TRAINING DAY

Year 6 - Don't forget you need to come in for your visit to Marrick Priory!!!

Year 6 applications for secondary school are due to be returned to the local authority by **31st October 2021** see www.northyorks.gov.uk/school-admissions for more information.

Nasal flu vaccines will be given in school on **Friday 5th November** for those who have given consent online. Any questions please contact the immunisations team on 01423 553115.

The School Day

After the half term break we will be trying out new morning arrangements.

All pupils will come into school between 8:35am and 8:45am, they will then go to class and complete a morning task whilst everyone arrives.

For FS/KS1 This is a trial to see if it helps those with more than one child to drop off, and to reduce congestion and aid transition into school on a morning.

School will then finish at 3pm as normal

If you have any comments during the next half term whilst we trial this please share them with us. Thank You

Covid-19

We really want to thank everyone for their continued patience and understanding with how the ongoing pandemic impacts on school, all the pupils and you as families. We really appreciate and accept that some of the rules don't seem logical but as a school we have no choice but to follow guidance from the DFE and Government.

We too are fed up of the rules, for example we don't understand if a positive case within a class/household, pupils and other household members can go to work and school.

We also know it is hard to distinguish between a cold and Covid-19, but we are not medical professionals either and just trying to use our common sense but adhering to Government guidance too. If your child has got symptoms, they need to have a PCR (lateral flow test not acceptable if your child has symptoms) and they must isolate until you have negative result.

Thank you for your continued support and understanding

Please continue to be vigilant over the half term break, we will monitor the admin@michael-syddall.n-yorks.sch.uk emails during the holidays if you need to inform us of any results.

PLAYGROUND EQUIPMENT

It is not permitted to play on any of the school play equipment outside of school hours.

Do not let children climb on the fences at the front of school, the boulder near the KS1 entrance & other equipment and decorative features around the school premises.

CONTACT DETAILS

Thank you to everyone who has returned the pupil update forms sent out last week. It is important that we are kept informed of any changes.

If you still have the form at home please return it on the first day back.

NEWSLETTER UPDATE

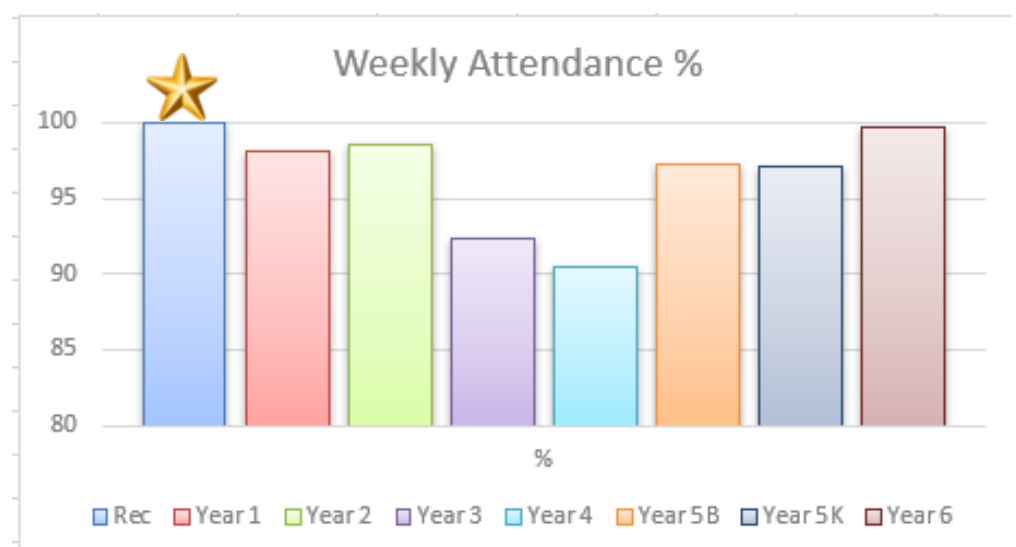

After half-term the newsletter will be getting a freshen up and will include more about what is going on in school each week. Please watch out for the new format and let us know what you think.
