After School/Lunchtime Clubs

Dear Parent/Carer

Welcome back to what will be a busy term of after school and lunchtime activities. Due to our ongoing lack of external space due to building works (which hopefully won't last too much longer!), some of our clubs offer looks different to normal.

Please be aware, football will initially take place at the pavilion for Key Stage 2 on a Monday after school. Children will be walked from school at the end of the day by staff, complete the club and then walk back to school for normal dismissal from the club at 4.30pm. TO ENSURE OUR USUAL SAFEGAURDING PROCEDURES, WE WILL NOT BE LETTING CHILDREN LEAVE THE PAVILION TO WALK HOME FROM THERE. THEY WILL RETURN TO SCHOOL AND LEAVE AS NORMAL AT 4.30PM.

On the reverse of this sheet is a list of clubs on offer to your child this term. We are continually trying to extend the range and number of clubs and activities we have on offer both at lunchtime and after school to ensure there is something for everyone to take part in. Please keep an eye out for new club letters throughout the term.

In order to sign up to the clubs on offer, you will need to access Arbor.

If you have any doubts over how to use it, please contact the school office. Sign up for these will 'go live' at 8pm tonight (Thursday).

In order to ensure that each club is well resourced and any 'consumable' items replaced, there is a small charge for most of the clubs running. This equates to pennies each week and you will now be charged for this at the point of booking the clubs for the term.

Clubs will start next week, **from Monday 14th September**, and will run until further notice. Some clubs have slightly different start dates – please see the 'notes' section. On the (hopefully) rare occasion which clubs may not be able to go ahead, you will be informed as soon as possible. With the unpredictability of the weather, please keep an eye out for messages.

We would like to ask that each place at a club is taken by children who will attend each week and be respectful towards the adult(s) running that club. **For safeguarding purposes, if for a child will be absent from a club for any reason, the adult running that club should be informed of this.** We are continuing to have occasions where children are not attending clubs and taking up the place which could have been allocated to another child. Please let the school office know if your child no longer wishes to attend.

Many thanks

Mr Saunders
