Safeguarding Children in Our School

It is the responsibility of everyone to hold the safeguarding of children ahead of anything else.

This is a priority in our school. We have many systems and procedures in place should any concerns be raised.

If you have any concerns about a child, no matter how trivial you may feel they are, please speak to a member of school staff. Conversations in school are frequent and always in the best interests of children.

If you would like to speak directly to Mrs McHarg or Mr Saunders, please do so.

OUT OF HOURS emergency support, please contact North Yorkshire County Council on **01609 780 780**.

Parking & Road Safety

Drop off and pick up are the busiest times for our School. Being aware of the road and all the dangers surrounding it is paramount to road safety. Please be mindful of the road when arriving to school, whether that be your child walking/biking or scootering to school.

Please ensure you park safely and respectfully, following the highway code.

- Do not park near the school entrance.
- Ensure the emergency parking bay is kept clear **at all times**.
- Do not park in the staff car park, unless permitted to do so.
- Please respect our neighbours by not parking over driveways or in the parking bays.
