MICHAEL SYDDALL PRIMARY SCHOOL

Football Competitions

Great passion and teamwork was shown during our matches so far this term.

In the year 5/6 league our purple team finished 2nd and our white team 3rd. In the year 3/4 league our black and red team came 1st and our orange team came 3rd.

Tri-Golf

A group of students have been to Richmond School to participate in a tri-golf competition. Their superb skills meant an amazing 2nd place finish!

Topic Launch

Year 1 and 2 have launched their History topic by building their very own Pudding Lane from The Great Fire of London in 1666.

Year 6 launched their topic of the term - WW2 and Catterick. They looked chronology to start with, working out how WW2 fits with other historical periods.

Year 3 and 4 had a full day of History to launch their new topic 'The Anglo-Saxons and Vikings'

This links with their upcoming school trip, payment can be made on the school gateway. (We really hope this doesn't have to be cancelled)
