

Poppy Appeal

We raised £107.84 for the Poppy Appeal.

Thank you to everyone!

NERF Festival

Some of our year 3s and 4s went to a NERF event recently and became **NERF CHAMPIONS.**

There was some superb determination, self-belief, passion, honesty, respect and teamwork shown!

Hockey Competition

Our year 3/4 and year 5/6 hockey teams applied great skills that they have picked up from other sports as well as hockey skills. They showed fantastic teamwork to make it through to the semi-finals in both Hockey competitions!

Skip2bfit

We had a brilliant day recently with Dave. The children worked hard on their skills, improving their skipping score but also talking about how our mindsets can have a huge impact on the success we have in all we do and the progress we make.
